

Health and Care in Staffordshire and Stoke-on-Trent

We need to think differently, be innovative and work together to improve health and care services.

We want to listen to your views on:

- What works well?
- What you think should be improved?
- What is important to you?

Join our conversation, starting in May 2019, and help to shape local health and care services.

Book your place at one of our listening events, by visiting www.twbstaffsandstoke.org.uk or calling 01785 276926.
