

Residents' survey

Staffordshire Moorlands District Council works closely with other public services such as the police, health, business and community representatives to make decisions about local services for our residents. We would like to know what you think about what it's like to live in your area so we can ensure we are dealing with the issues that concern and matter to you. Please scan to complete the survey.

If you have any questions or concerns about this survey please do not hesitate to contact:
